

# Investor Presentation

June 2017

# Notice

*The information contained herein has been prepared by Türk Telekomünikasyon A.Ş. (the Company) in connection with the operations of Türk Telekom Group companies. The opinions presented herein are based on general information gathered at the time of writing and are subject to change without notice.*

*The Company relies on the information gathered from the reliable sources however does not guarantee completeness and accuracy of such information.*

These materials contain statements about future events and expectations that are forward-looking statements. Any statement in these materials that is not a statement of historical fact is a forward-looking statement that involves known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Except to the extent required by law, we assume no obligations to update the forward-looking statements contained herein to reflect actual results, changes in assumptions or changes in factors affecting these statements. This presentation does not constitute an offer or invitation to sell, or any solicitation of any offer to subscribe for or purchase any securities and nothing contained herein shall form the basis of any contract or commitment whatsoever. No reliance may be placed for any purposes whatsoever on the information contained in this presentation or on its completeness, accuracy or fairness. The information contained in this presentation may be required to be confirmed, completed and amended. Therefore, no declaration or commitment has been given or implied on the name of the Company or its shareholders, directors, employers or other third persons depending on the authenticity, completeness and accuracy of the information.

None of the Company nor any of its shareholders, directors or employees nor any other person accepts any liability whatsoever for any loss howsoever arising from any use of this presentation or its contents or otherwise arising in connection therewith. The PSTN services and wholesale broadband services are provided by Türk Telekomünikasyon A.Ş., the retail internet services are provided by TTNET A.Ş. and the mobile services – are provided by Avea İletişim Hizmetleri A.Ş. Türk Telekom® brand used in this presentation is the joint brand of Turk Telekom Group companies. All group companies legal entities remain intact. There may be differences between the data provided in this presentation and ICTA's market reports. These discrepancies are due differences in basis of financial reporting (standalone vs. consolidated) and differences in ARPU calculation methodologies.

Note: EBITDA is a non-GAAP financial measure. In this presentation, EBITDA represents revenue less cost of sales and other operating expenses plus other operating income/ (expense) plus income/(expense) from investing activities but excluding financial income/ (expense) presented in other operating income/(expense) (i.e., foreign exchange gain/ (loss), interest income / (expense) and discount income/(expense) on receivables and payables excluding financial borrowings), depreciation, amortization and impairment, income on unconsolidated subsidiaries and minority interest.

### Türk Telekom

- ▶ 98% fixed broadband coverage
- ▶ Nationwide fiber availability
- ▶ Best in class customer service
- ▶ Widest variety of value added services

- ▶ 900 MHz disadvantage eliminated after spectrum auction
- ▶ Only operator with spectrum market share higher than subscriber market share
- ▶ Nationwide fiber network and optimum spectrum to enable best LTE experience

- ▶ UEFA Champions League and Europe League Turkey media rights
- ▶ Nationwide coverage through IPTV and satellite
- ▶ Rich content library

- ▶ Nationwide fixed voice services
- ▶ Additional benefits (data packages, home security and other 3<sup>rd</sup> party benefits)
- ▶ VOIP available

### Turkcell

- ▶ Fiber infrastructure in 15 out of 81 cities
- ▶ Wholesale customer of Türk Telekom

- ▶ Incumbent mobile operator

- ▶ English Premier League broadcasting rights
- ▶ No satellite platform
- ▶ Limited access

- ▶ Wholesale customer of Türk Telekom
- ▶ VOIP available

### Vodafone

- ▶ Wholesale customer of Türk Telekom

- ▶ Number two mobile operator

- ▶ No Home TV

- ▶ Wholesale customer of Türk Telekom
- ▶ VOIP available

- ▶ Contributor to Turkey’s economic development serving in 19 cities and 25 centers throughout Turkey with more than 10 thousand employees
- ▶ Ranked first in the category of “Best Contact Center” in the Contact Center World Awards 2016, one of the most prestigious award in call center sector

# Group Companies

## Türk Telekom International

- ▶ Providing a full range of international data infrastructure, internet, and wholesale voice services
- ▶ Operating in over 40 countries across Central and Eastern Europe, Turkey, the Middle East and the Caucasus
- ▶ Contributing to Turkey's goal of becoming a telecoms bridge and data hub between Europe and Asia thanks to its own +40K fiber optic network and its solid partnerships with major players in telecommunications industry
- ▶ A full consortium member of **SEA-ME-WE-5**, the new undersea cable system that will connect 17 countries in Europe, Middle East and Asia

# Appendix

# Corporate Credit Rating

Investment grade from Fitch and S&P

## Fitch Ratings **BBB- Rating**

Negative Outlook

Fixed-mobile and pay-TV convergent service offering is built on the company's leading fixed line position

Broadband subscribers and ARPU continue to grow, helped by increasing demand for high-speed connectivity

Improved mobile service capability, helped by spectrum bought in the 2015 auction

## S&P Global Ratings **BBB- Rating**

Negative Outlook

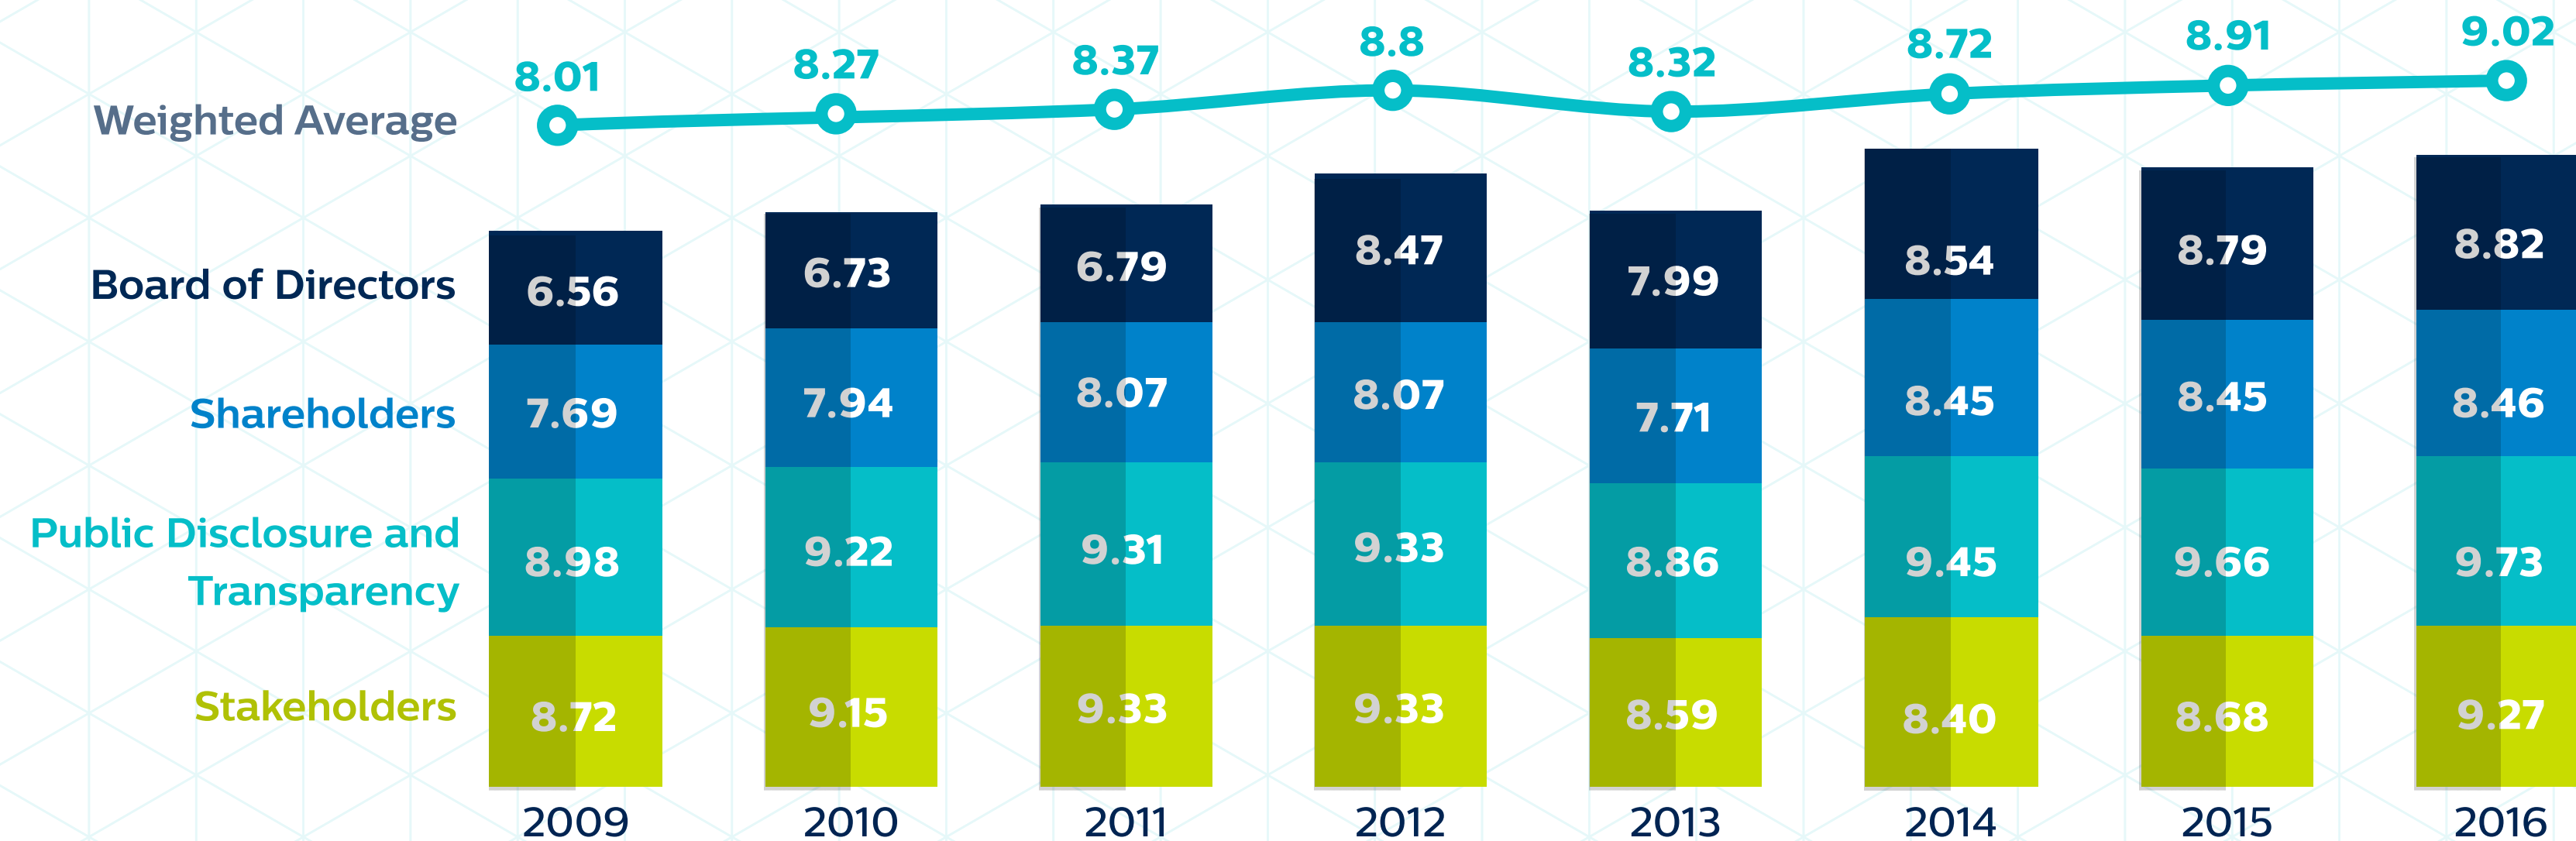

Strong leadership position in domestic fixed-line business

Good growth prospects, solid profitability

# Corporate Governance and Sustainability

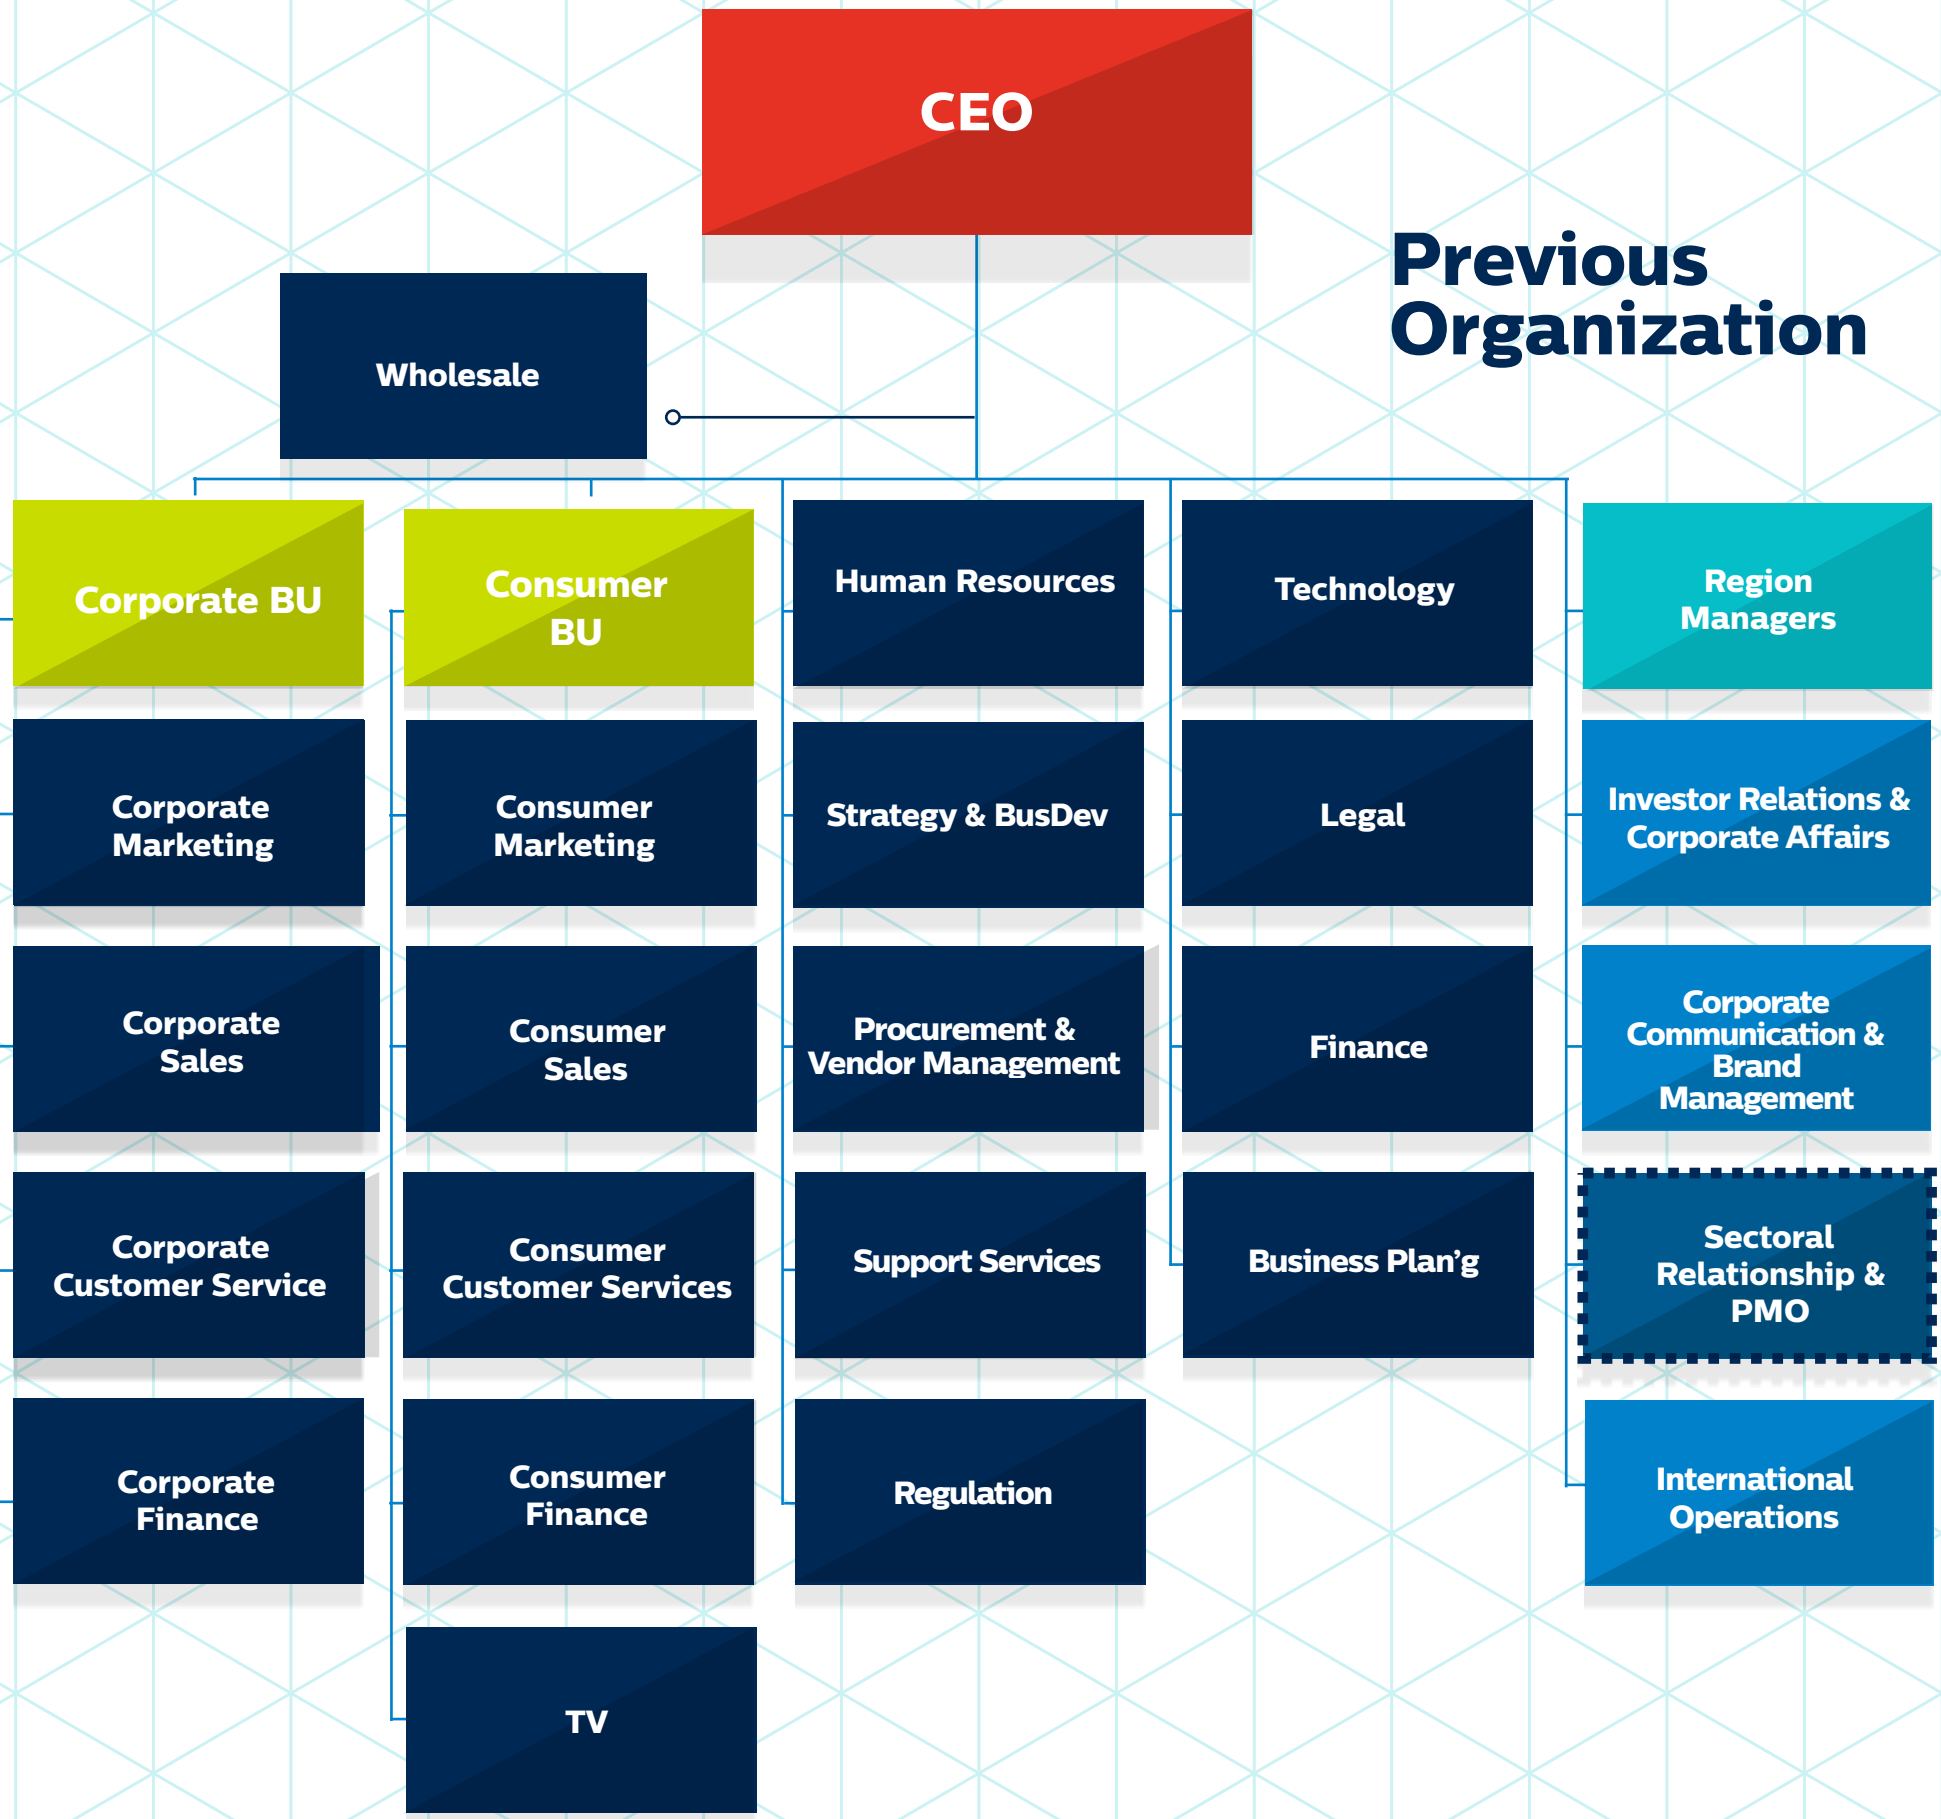

## Demonstrates exemplary practices

- ▶ Türk Telekom was qualified to be included in the BIST Sustainability Index since its creation with its long lasting emphasis on Environmental, Social and Governance policies and exemplary practices
- ▶ Türk Telekom is the only telecom company qualified to be included in the BIST Corporate Governance Index since 2009

\*The decline in ratings in 2013 is a result of rating methodology change by CMB rather than any deterioration in the Company's corporate governance practices. 2013 weighted average rating with the old methodology would have been 8.8
